

# Dr. Magdalena Heiland

## Profile

<b>Academic position</b>	PhD Candidate
<b>Research fields</b>	Inorganic Molecular Chemistry, Solid State Chemistry and Surface Chemistry, Material Synthesis
<b>Keywords</b>	Metal Organic Frameworks, hydrogen evolution reaction, Inorganic Chemistry, Thiomolybdates, photocatalysis

## Current contact address

<b>Country</b>	United States of America
<b>City</b>	Berkeley
<b>Institution</b>	University of California, Berkeley
<b>Institute</b>	Department of Chemistry

## Host during sponsorship

<b>Prof. Dr. Omar M. Yaghi</b>	Department of Chemistry, University of California, Berkeley, Berkeley
--------------------------------	---

## Program(s)

<b>2022</b>	Feodor Lynen Research Fellowship Programme for Postdocs
-------------	---
